

TWO YEARS ENDED DECEMBER 31, 1998

# From The Office Of State Auditor Claire McCaskill

Report No. 99-60 August 24, 1999

IMPORTANT: The Missouri State Auditor is required by Missouri law to conduct audits only once every four years in counties, like St. Clair, which do not have a county auditor. However, to assist such counties in meeting federal audit requirements, the State Auditor will also perform a financial and compliance audit of various county operating funds every two years. This voluntary service to Missouri counties can only be provided when state auditing resources are available and does not interfere with the State Auditor's constitutional responsibility of auditing state government.

Once every four years, the State Auditor's statutory audit will cover additional areas of county operations, as well as the elected county officials, as required by Missouri's Constitution.

\_\_\_\_\_

This audit of St. Clair County was a financial and compliance audit of various county operating funds.

There were no new findings or additional comments made during this audit.

### INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS

To the County Commission and Officeholders of St. Clair County, Missouri

We have audited the accompanying special-purpose financial statements of various funds of St. Clair County, Missouri, as of and for the years ended December 31, 1998 and 1997, as identified in the table of contents. These special-purpose financial statements are the responsibility of the county's management. Our responsibility is to express an opinion on these special-purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the special-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the special-purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The accompanying special-purpose financial statements were prepared for the purpose of presenting the receipts, disbursements, and changes in cash of various funds of St. Clair County, Missouri, and comparisons of such information with the corresponding budgeted information for various funds of the county and are not intended to be a complete presentation of the financial position and results of operations of those funds or of St. Clair County.

In our opinion, the special-purpose financial statements referred to in the first paragraph present fairly, in all material respects, the receipts, disbursements, and changes in cash of various funds of St. Clair County, Missouri, and comparisons of such information with the corresponding budgeted information for various funds of the county as of and for the years ended December 31, 1998 and 1997, in conformity with the comprehensive basis of accounting discussed in Note 1, which is a basis of accounting other than generally accepted accounting principles.

St. Clair County, Missouri, has not presented the disclosures required by Governmental Accounting Standards Board (GASB) Technical Bulletin 98-1, *Disclosures about Year 2000 Issues*, as amended by GASB Technical Bulletin 99-1, that the GASB has determined are necessary to supplement, although not be a part of, the basic financial statements. In addition, we do not provide assurance that the county is or will become year 2000-compliant, that the county's year 2000 remediation efforts will be successful in whole or in part, or that parties with which the county does business are or will become year 2000-compliant.

In accordance with *Government Auditing Standards*, we also have issued our report dated April 13, 1999, on our consideration of the county's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grants.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the County Commission and Officeholders of St. Clair County, Missouri

We have audited the special-purpose financial statements of various funds of St. Clair County, Missouri, as of and for the years ended December 31, 1998 and 1997, and have issued our report thereon dated April 13, 1999. We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

### Compliance

As part of obtaining reasonable assurance about whether the special-purpose financial statements of various funds of St. Clair County, Missouri, are free of material misstatement, we performed tests of the county's compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

#### Internal Control Over Financial Reporting

In planning and performing our audit of the special-purpose financial statements of various funds of St. Clair County, Missouri, we considered the county's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the special-purpose financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in

amounts that would be material in relation to the special-purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

This report is intended for the information of the management of St. Clair County, Missouri and other applicable government officials. However, this report is a matter of public record and its distribution is not limited.

Notes to the Financial Statements

### ST. CLAIR COUNTY, MISSOURI NOTES TO THE FINANCIAL STATEMENTS

### 1. <u>Summary of Significant Accounting Policies</u>

### A. Reporting Entity and Basis of Presentation

The accompanying special-purpose financial statements present the receipts, disbursements, and changes in cash of various funds of St. Clair County, Missouri, and comparisons of such information with the corresponding budgeted information for various funds of the county. The funds presented are established under statutory or administrative authority, and their operations are under the control of the County Commission, an elected county official, or the Health Center Board of Trustees. The General Revenue Fund is the county's general operating fund, accounting for all financial resources except those required to be accounted for in another fund. The other funds presented account for financial resources whose use is restricted for specified purposes.

### B. Basis of Accounting

The financial statements are prepared on the cash basis of accounting; accordingly, amounts are recognized when received or disbursed in cash. This basis of accounting differs from generally accepted accounting principles, which require revenues to be recognized when they become available and measurable or when they are earned and expenditures or expenses to be recognized when the related liabilities are incurred.

### C. Budgets and Budgetary Practices

The County Commission and other applicable boards are responsible for the preparation and approval of budgets for various county funds in accordance with Sections 50.525 through 50.745, RSMo 1994 and RSMo Cumulative Supp. 1998, the county budget law. These budgets are adopted on the cash basis of accounting.

Although adoption of a formal budget is required by law, the county did not adopt formal budgets for the following funds:

| <u>Fund</u>                 | Years Ended December 31, |
|-----------------------------|--------------------------|
|                             |                          |
| Sheriff's Civil Fees Fund   | 1997                     |
| Law Library Fund            | 1997                     |
| Circuit Clerk Interest Fund | 1998 and 1997            |

Warrants issued were in excess of budgeted amounts for the following funds:

| <u>Fund</u> <u>Y</u>               | Years Ended December 31, |
|------------------------------------|--------------------------|
| Prosecuting Attorney Training Fund | 998                      |
| Domestic Violence Fund             | 998                      |
| County Clerk Grant Fund 1          | 997                      |
| Federal Prisoner Medical Fund      | 997                      |
| Law Library Fund                   | 998                      |

Section 50.740, RSMo 1994, prohibits expenditures in excess of the approved budgets.

#### D. Published Financial Statements

Under Sections 50.800 and 50.810, RSMo 1994, the County Commission is responsible for preparing and publishing in a local newspaper a detailed annual financial statement for the county. The financial statement is required to show receipts or revenues, disbursements or expenditures, and beginning and ending balances for each fund. However, the county's published financial statements for the years ended December 31, 1998 and 1997, did not include the Circuit Clerk Interest Fund.

### 2. <u>Cash</u>

Section 110.270, RSMo 1994, based on Article IV, Section 15, Missouri Constitution, authorizes counties to place their funds, either outright or by repurchase agreement, in U.S. Treasury and agency obligations. In addition, Section 30.950, RSMo Cumulative Supp. 1998, effective August 28, 1997, requires political subdivisions with existing authority to invest in instruments other than depositary accounts at financial institutions to adopt a written investment policy. Among other things, the policy is to commit a political subdivision to the principles of safety, liquidity, and yield (in that order) when managing public funds and to prohibit purchase of derivatives (either directly or through repurchase agreements), use of leveraging (through either reverse repurchase agreements or other methods), and use of public funds for speculation. The county has not adopted such a policy.

In accordance with Statement No. 3 of the Governmental Accounting Standards Board, Deposits with Financial Institutions, Investments (Including Repurchase Agreements), and Reverse Repurchase Agreements, disclosures are provided below regarding the risk of potential loss of cash deposits. For the purposes of these disclosures, deposits with financial institutions are demand, time, and savings accounts, including certificates of deposit and negotiable order of withdrawal accounts, in banks, savings institutions, and credit unions.

The county's deposits at December 31, 1998 and 1997, were entirely covered by federal depositary insurance or by collateral securities held by the county's custodial bank in the county's name.

The Health Center Board's deposits at December 31, 1998 and 1997, were entirely covered by federal depository insurance. However, because of significantly higher bank balances at certain times during the year, uninsured and uncollateralized balances existed at those times although not at year-end.

To protect the safety of county deposits, Section 110.020, RSMo 1994, requires depositaries to pledge collateral securities to secure county deposits not insured by the Federal Deposit Insurance Corporation.
